

Beware the promises of *Notarios!*

President Obama's Immigration Reform Will Not Help Everyone.

STOP because while there is a lot of excitement around this announcement, the truth is that not everyone will be eligible.

Do not believe *notarios* and other unauthorized consultants who promise immediate action in order to steal your money.

WAIT until the details are released. The wrong help can harm your chances of becoming a lawful resident or citizen.

TALK to a qualified immigration attorney, **ASK** questions, and **REPORT** notarios who are trying to take advantage of you or your family.
